

A stylized illustration of a Venetian gondola at night. The gondola is filled with people in various costumes, including a man in a white suit rowing, a woman in a white dress, and a man in a dark suit. A man in a patterned outfit stands on the gondola playing a guitar. The background features a dark blue sky with large, stylized clouds and several large, glowing orange and yellow fireworks or lanterns hanging from the top. In the distance, the Venetian city skyline is visible, including a prominent church spire. The overall style is reminiscent of early 20th-century art or poster design.
